Red River Valley

From this valley they say you are going

We will miss your bright eyes

And sweet smile

For they say you are taking the sunshine

That brightens our pathway a while

Come and sit by my side if you love me

Do not hasten to bid me adieu,

But remember the red river valley and the girl that has love you so true

Won't you think of the valley you are leaving?

Oh how lovely, how sad it will be

Oh think of the fond heart you are breaking and the grief you are causing so true

As you go to your home by the ocean,

May you never forget those sweet hours

That we spent in the Red River Valley

And the love we've exchanged amid the flowers

Please come back to the red river valley

Please come back to the great that is

I'll be here in the Red River Valley

I'll be waiting, my darling, for you

7. Evergreens

I'd rather be a sparrow than a snail

Yes I would, if I could, I surely would

Hmm Hmm

I'd rather be a hammer than a nail

Yes I would, if I could, I surely would

Hmm Hmm

Chorus:

Away, I rather sail away, like a swan, that's here and gone

A man gets tied up to the ground

He gives the world his saddest song

His saddest sound

Hmm Hmm

I'd rather be a forest than a street,

Yes I would, if I could, I surely would

Hmm Hmm

I'd rather feel the earth beneath my feet

Yes I would, if I could, I surely would

Sealed With A Kiss

Though we got to say goodbye to the summer

Darling I promise you this

I'll send you all my love everyday in a letter

Sealed with a kiss

Guess it's gonna be a cold lonely summer

But I'll fill the emptiness

I'll send you all my dreams, everyday in a letter

Sealed with a kiss

I'll see you everywhere

I'll hear voice everyday

I want to tenderly hold you

But darling, you won't be there

I don't wanna to say goodbye to the summer

Knowing the love I'll miss

So let us pledge

To meet in September

Sealed with a kiss

Take me Home, Country Road

Almost heaven, West Virginia

Blue Ridge Mountains Shenandoah River

Life is old there, older than the tress

Younger than the mountains, blowing like a breeze...

Chorus:

Country road, take me home

To the place I belong

West Virginia, mountain mama,

Take me home, country roads...

All my memories gather around her,

Miner's lady, stranger to blue water

Dark and dusty, painted on the sky,

Misty taste of moonshine,

Teardrop in my eye

(Chorus)

I hear voices in the morning hour she calls me

The radio reminds me of her home far away,

And driving down the road, I get the feeling that I

should be home

Yesterday, yesterday

(Chorus)

Those were the days

Once upon a time there was a tavern
Where we used to raise a glass or two
Remember how we laughed away the hours
And dreamed of all the great things we would do

Chorus:

Those were the days my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we choose
We'd fight and never lose
For we were young and sure to have our way,
La la la, la la la, la la la, la la la

Those were the days, oh yes those were the days
Then the busy years went rushing by us
We lost our starry notions on the way
If by chance I'd see you in the tavern
We'd smile at one another and we'd say
(Chorus)

Just tonight I stood before the tavern
Nothing seemed the way it used to be
In the glass I see a strange reflection
Was the lonely fellow really me?
(Chorus)

Through the door there came familiar laughter
I saw the face and heard you call my name
Oh, my friend, we're older but no wiser
For in our hearts the dreams are still the same
(Chorus)

Yesterday

Yesterday, all my troubles seem so far away
Now they look as though they are here to stay
Oh I believe in yesterday
Suddenly, I'm not half the man I used to be
There's shadow hanging over me
Oh yesterday, came suddenly
Why she had to go I don't know she wouldn't say
I said something wrong
Now I long for yesterday
Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh I believe in yesterday
