THE NPCC'S MISSION

Develop our members to be active citizens and community leaders, by working in partnership with the Singapore Police Force to fight crime and keep Singapore safe.

THE NPCC'S VISION

To become the best youth organisation in Singapore, one that actively helps to make Singapore the safest place in the world.

THE NPCC'S CORE VALUES

In accordance with our mission and observing our objectives, we believe that our association with the National Police Cadet Corps will:

- Ensure our growth by exposing us to a challenging environment, which, in turn will imbibe us with leadership qualities, strong character and civic, social and moral values.
- Enlighten us on the role of the Singapore Police Force, help to build a stronger bond of friendship with them, and so lead to a safer place for all in the country.
- As part of a culture that encourages us to treat fellow cadets with respect, courtesy and tact, teach us to extend the same care and concern to others.
- As a result of our identification with the Singapore Police Force, teach us to adopt its tradition of high standards of performance, commitment, duty and service, to seek to excel and to face up to challenge.

THE NPCC'S PLEDGE

We, the members of the National Police Cadet Corps, do here and now solemnly and sincerely pledge that:

We will always bear true faith and allegiance to the President and our Republic of Singapore.

We will always be loyal and true to our country, our people and the government.

We will always be prepared to serve our country and community.

We will always preserve the peace and uphold the law.
